Welcome

Welcome to St Andrew's Academy! We are looking forward to meeting you. I'm sure that you will be scared to start S1, and it doesn't help that were in a confusing time right now. But, hopefully this power point can help you with your transition from primary to secondary and give you some information on your new school!

How To Prepare For The School Year

School uniform is a big thing in St Andrews. Its like a team uniform. When we wear it, were part if the group.

You may think that you need tons and tons of school supplies, but you don't really. You only need the basics and the school will have the rest. So, don't waste money!

What It Is Like At St Andrews

St Andrews is a very safe and fun school. There are lots of things to do, lots of friends to make and lots of people to talk to.

When you start S1, you will get a buddy who you can talk to and ask new questions you may have when you start.

Clubs

There are lots of clubs at St Andrews. Some are;

- Netball Club
- Harry Potter Club
- Science Club
- Football Club
- Enterprise Club

And loads more!

You can meet friends there
or just have a good laugh.

Subjects

There are lots of interesting subjects at St Andrews. You will learn many new skills and find some new interests along the way. Some life skills like cooking, sewing and first aid and some academic skills like learning a new language, story writing and more. My personal favourite subject is P.E because it gets me moving, but its all personal preference

Mental Health

Transitioning from primary to secondary can be tough, especially now during this confusing time. So, if when you come to St Andrews and you feel like you need to talk to some one, there are lots of people to help. Like guidance teacher, buddy's, house captains and lots more. There's always help.

Cant Wait To See You!!
