Summer Term Learning

School Prayer

Lord, Bless this day and all it brings,
Bless our lives that we may grow in your love,
Bless our work, that we use our gifts and talents wisely,
Bless our hearts, that we never forget to look to the needs of others,
Bless our community, that we continue to prosper by your Spirit,
Bless our prayer, though Christ our Lord,
Amen.

Week 1 - Week beginning Monday 27th April

We will begin to change timetable over the next two weeks, with a phased change.

In week 1 S1 and S2 will remain in the same classes with the same teachers and continue with their home learning.

S3 will become the new S4
S4 will become the new S5
S5 will become the new S6

This week we will issue students in the new S4, S5 and S6 with an email to their Glow email addresses detailing the options they chose prior to the school closure.

We will ask for any pupil who wishes to make a change to email their Guidance Teacher with this request.

Week 2 - Week beginning Monday 4th May

S1 and S2 will continue with Home Learning as they are doing at present. The pupils will remain with the same class teachers. All SMHW and Glow Teams will remain the same. We are planning on moving these groups into new S2 and new S3 towards the end of May.

S4, S5 and S6 will by now have new SMHW and Glow teams and may have new teachers. Pupils will be issued with a new learning schedule to include three sessions per day of different subjects lasting 1 hour.

We will begin online registration in week 2 and pupils will be asked to register for their home learning every day prior to 11.30am, if possible, by clicking on a link that will be provided and filling in their name and date of birth.

More information regarding the new learning schedule and registration will be issued by the end of week 1.

Home Learning - Just try your best
